FROM NEEDS ANALYSES TO COURSE CURRICULA FOR SUPPORTING ELDERLY

Multiplier Event - May 23, 2022,
ul, 1905 Roku 26/28, Radom - Fundacja
Instytut Badan i Innowacji w Edukacji

The event aimed at sharing the IO1 “Essential needs of educators to support seniors”, IO2 „Supporting Elderly: A Practitioner's Guide” and the results that are available and ready to be freely used by adult educators and other stakeholders in the field of adults

31 participants

The main objective is increasing the awareness of adult educators, facilitators and their organization about the identified needs and about the approach for addressing the essential needs
